3. CHARGES & PAYMENT – GENERAL

- 3.1 You must pay the charges for the provision of the Services or the Package, at the relevant rates as notified to you from time to time, as well as any other charges incurred by you in accordance with this CSA.
- 3.2 We will usually invoice you monthly for charges due under this CSA. Our first invoice will be issued either in the month that we commence provisioning Services to you or, at our discretion, the following month. We may vary invoice frequency at our discretion. We may issue interim invoices. We may bill you more often if you exceed your spend limit (see clause 5.1).
- 3.3 Unless otherwise expressly stated in this Agreement, we will generally bill you in advance for periodic charges, connection, and service fees (where applicable) and in arrears for usage charges, although this may vary in certain cases. We will endeavor to bill you within the next normal billing period for charges billed in arrears, but we reserve the right to bill you for those charges in later billing periods. As per 8.2.2 of ACIF CS42 - Industry Code - Billing, we will not bill charges older than 190 days from the date the charge was incurred by the customer.

- 3.5 If an invoice is paid by cheque or direct debit from your bank account and that cheque or direct debit is dishonored, cancelled or otherwise fails, you may be liable for a charge which will be added to your next invoice.
- 3.6 Supplier charges:
 - 3.6.1 Our charges to you may pass on any charges another Supplier charges to us (including increases and special or one-off charges).
 - 3.6.2 You will pay us any charge which any other Supplier or other person renders to us:

You acknowledge and agree that in addition to our rights under clause 13 we can suspend, cancel or Bar your Service upon reasonable verbal or written notice to you (including transmitting the notice to your email address) if we have reasonable grounds for believing that you represent a credit risk in relation to the Service, including:
- 5.3 Where the Services are being used in an excessive or unusual way or an unusually high volume or spend for the relevant Service when compared with previous account activity for that Service. For example, there may be excessive or unusual use if you have a call that remains connected for an unusually long period of

time or where an unusually large volume of calls to premium-rate or international services start being made from your Service.

- 5.3.1 your failure to respond to notices from us about unusual high volume or spend;
- 5.3.2 your failure to pay a current bill in circumstances where your payment history indicates a series of late payments, dishonoured payments, or failures to pay. If we do suspend, Bar or cancel your Service, you still have to pay for any charges incurred for any excessive or unusual usage (regardless of how caused) and the provisions relating to liability and indemnity also remain unaffected. If you wish to Bar access to premium rate services from the Services we provide you, please contact us.

5.4 We will not be responsible for any equipment tampering or service fraud. Should you have any questions in relation to steps which may be taken to reduce the potential risk of fraud in relation to a Service or telecommunications equipment, please contact us and we will endeavor to provide such information or direct you to an appropriate source of information.

If after that we become aware of other proper charges (including fees payable to any other Supplier) for those Services up to the date of transfer, or we resolve any dispute so that any liability relating to those Services is quantified, then you will immediately pay us all such amounts on receipt of our invoice.
- 8.4 We will not accept liability for any amounts owing by you to a Supplier or other person. You indemnify us against any claim made by a Supplier or other person against us in relation to any such amounts.
